

# Using Lesson Plans with the Free versus Premium Versions of Homeschool Planet

*In a nutshell*, the **Free** version lets you view and print assignments once they have been applied to your calendar\*, but you need the **Premium** version to check off completed assignments, re-order assignments, and, in general, do any kind of editing.

	Free	Premium
View all the lesson plan assignments	✓	✓
Print all the lesson plan assignments*	✓	✓
Use the lesson plan with different children on different dates*	✓	✓
Click resource links to gain access to online resources*	✓	✓
Check off assignments in the software when completed		✓
Add, edit, or delete assignments and resource links		✓
Grade assignments		✓
Track attendance		✓
Get Daily Digest reminder emails		✓
Reschedule assignments when "life happens"		✓
Separate sign in accounts for kids		✓
Use To Do, Shopping, and other widgets		✓
Use <a href="#">all other features</a> of Homeschool Planet		✓

\* These features are available once the lesson plan has been applied to the calendar. Lesson plans can be applied to your calendar during your Free Trial or later with the Premium version. They cannot be applied subsequently with the Free version.
